Docket No.: 10431-12

Sir:

In response to the Notice of Non-Compliant Amendment dated October 18, 2007, Applicant respectfully submits the corrected section of the previously submitted replacement specification consisting of allowed Claims 1-21. The corrected section of the non-complaint

amendment shows the proper status identifier for each of claims 1-21 as requested by the Office.
A clean and marked-up version is enclosed.

Applicant has submitted the corrected claim section to show the proper status identifiers as requested by the Office but states that no amendments to the claims were made in the original Amendment A filed with the Office on September 18, 2007.

As previously indicated by the Office, Claims 1-21 were presented for examination and allowed. Therefore, Applicant requests reconsideration of the application and allowance thereof.

Please send all future correspondence regarding the above-referenced application to the undersigned at the address appearing below.

Respectfully submitted,
